Capital punishment in the United Kingdom - Wikipedia Capital punishment in the United Kingdom was used from ancient times until the second half of the 20th century. The last executions in the United Kingdom were by hanging, and took place in 1964, prior to capital punishment being abolished for murder (in 1965 in Great Britain and in 1973 in Northern Ireland).Although unused, the death penalty remained a legally defined punishment for certain ... The Textmapping Project - Scrolls Scrolls are the Foundation. Textmapping starts with a scroll. Scrolls are an ancient technology, but they offer clear advantages over books -advantages that are particularly useful in the context of classroom instruction. When you open a book, you can only see two facing pages at a time; when you roll out a scroll, you can see the entire text - the entire length of the scroll - all at once.
