tornadoes striking downtown areas of large cities ... This article is a list of tornadoes that have  
impacted the central business district (downtown or city centre) of a large city (that is, one  
having at least 50,000 people, not counting suburbs or outlying communities, at the time of the  
storm).. It is a common myth that tornadoes do not strike downtown areas. The odds are much  
lower due to the small areas covered, but paths can go anywhere ... BibMe: Free Bibliography &
