The only feature I miss is the divider that the older model had in the bottom section where the step for the refrigeration unit is. Stainless steel multifunction oven - Westinghouse Rated 3 out of 5 by Baker1 from Manual is wrong I just had this oven installed as part of a kitchen renovation so I started to read the manual and find the instructions for setting the clock are wrong, the panel shown in the picture is not the same as on the oven. I then decided to download the manual from the website as surely that would be correct but no, same problem! remotecodelist.com - Universal Remote Control Codes Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes. Manufacture Code List - AT&T® Official Manufacture Code List Jump to ...
