# Workshop Manual Gtho Phase 2

**Workshop Manual Gtho Phase 2** - Ford Falcon (Australia) - Wikipedia The Ford Falcon is a full-sized car that was manufactured by Ford Australia from 1960 to 2016. From the XA series of 1972 onward, each Falcon and range of derivatives have been designed, developed, and built in Australia, following the phasing out of the American-influenced Falcon of 1960 to 1971, which had been re-engineered locally as the XK to XY series for the harsher Australian conditions. Fri, 19 Apr 2019 02:10:00 GMT
